About HSA

The Home & School Association (HSA) is our school's version of a PTA. Each family is a member of the HSA, and we encourage all of you to get involved.

The HSA is responsible for a portion of the school budget, so the majority of the HSA fundraising profits go towards running the school and keeping tuition costs down.

Objectives

HSA is an organization dedicated to the enrichment of St. Bridget School and its students and faculty. It strives to help parents and teachers acquire an appreciation of the ideals of Catholic education. It promotes a clear understanding of the mutual educational responsibilities of both parents and faculty. It encourages a greater degree of cooperation between the home and school as well as other parish organizations. It assists the parish, generally, and the school, specifically, by raising funds and/or providing materials to improve the educational process.

HSA Assessment

In addition to tuition payments, each family enrolled at St. Bridget School must contribute or raise through fund-raising activities $275 yearly towards the HSA Assessment. Families have until June 1 to pay their assessments. You may choose to pay your assessment through FACTS Tuition Management Program. If you choose this option, your full assessment amount of $275 will be added to FACTS. You will pay a portion of the assessment each time you make a payment to FACTS. If you would like participate in this option, please contact Lauren Croweak in the school office.

The following fundraisers can also be applied to your assessment:

- Golf Outing – 100% of ads and sponsors sales you solicit
- Annual Auction – 100% of adds and sponsors sales you solicit
- Scrip – 100% of rebate for purchases made from July 1 through June 1
