

ST. BRIDGET SCHOOL
CHESHIRE, CONNECTICUT

"Fostering academic excellence, community awareness and spiritual growth"

Dear Supporter of St. Bridget School,

You are cordially invited to become part of the 21st Annual St. Bridget School Auction to be held on Friday, February 21, 2020 at the Aqua Turf Club. Your support is needed to help ensure the success of this event. Past auctions have been successful because of each and every contribution, donation, and sponsorship. All proceeds go directly to benefit our school and our students' academic needs. St. Bridget School is accredited by the New England Association of Schools and Colleges.

St. Bridget School depends on generous donors like you to continue our exceptional programs. The funding raised at this event in the past has been used to improve technology, increase school safety and security throughout the school grounds, and to bring exciting and innovative new programs to enhance the students learning experiences. In addition, this event has helped the school remain self-funded for the operational costs of our school. Therefore, we kindly ask that you please consider donating an item or service, or simply providing a monetary gift toward this important cause.

This annual event has become the largest fundraiser for St. Bridget School. We will be auctioning and raffling many gifts and services that have been donated. Our generous sponsors and donors will benefit from the recognition they deserve. All guests will receive a copy of our auction program book, which showcases our sponsors, donations, and advertisers.

Our goal this school year is to raise over \$150,000. St. Bridget School needs your support and generosity to make this event successful. Please complete the form(s) provided according to your participation level or submit donation information online at <https://stbridgetschool.ejoinme.org/sbsauction2020> (a convenience fee will be applied to all online purchases) by February 3, 2020.

Thank you for your support!

Sincerely,

2019-2020 Auction Committee
